

## Discover the Bar U Ranch Wagon Rides

### What you need to know:

- First ride of the day: 11:00 a.m.
- Last ride of the day: 3:20 p.m.
- The Bar U will offer daily wagon rides, included in the price of admission. Visitors will have a chance for a 30 minute wagon ride through the riparian zone and around the tipi encampment or the west side of the Historic Core.
- We want to be as fair as possible and please understand we need to balance care for horses, staff, and public safety therefore **we cannot guarantee a wagon ride** during your time at the Bar U given the number of variables.
- However, **if you are really keen** to ride the wagon, look at the schedule and pick a time/location that interests/works for you and **arrive early at Round Up Camp.**
- If you have arrived a few minutes early and want to chat with one of our staff, **grab number one or number two log ends** and sit down with it so when the wagon arrives the drivers will clearly know which group is first
